Religious Organizations

The Faith Alliance

The Faith Alliance is a gathering of concerned faith community leaders seeking full inclusion of, and justice for, lesbian, gay, bisexual, and transgender persons at all levels of public and religious life. In as much as LGBT persons have been excluded and victimized by communities of faith, we seek to rectify the pains of that exclusion and build just and creative relationships between all persons. The Faith Alliance exists to foster constructive conversations on the intersection of faith and sexuality for the healing of individuals and communities.
